BBPS/R/17/36

13<sup>th</sup> July 2017

Dear Parents

In the light of increasing number of cases of fever (viral fever, dengue, chickengunia & malaria), you are requested to take all precautionary measures at home. In addition, children should not be attending school in case of slight fever or any symptoms of the same.

It is reiterated that students must wear full sleeves shirts and trousers/Salwar kameez.
