Dear Parents

We at BalBharati Public School, Rohini take the safety and security of children very responsibly. To ensure that the children disperse in a non-chaotic, disciplined manner, the school has devised the following rules -

- All students using **private vans** to assemble in the school playground after the final bell and stand in lines according to the van routes. The students will move out along with the van driver. All students using van facility will be allowed to use only **Gate No.3**. You are, therefore, requested to instruct your van drivers about the same.
- All students who are **picked up** by their parents or **going on their own** will disperse from **GateNo. 4** only. They will not be allowed to use any other gate.
- All students using **bus facility** will assemble in the allocated bus route rooms and after the attendance taken by the teacher on bus duty, will move to the bus in proper lines which will leave from **Gate No. 1**. No child will be allowed to board the bus directly. Kindly instruct your ward to follow the same.

Your co-operation is solicited.
