Dear Parent

Bal Bharati Public School, Rohini has always been a pioneer in organizing Donation Campaigns for the underprivileged. We have now collaborated with Sparsh, an NGO which is dedicated towards the betterment of special children. Our senior children from Interact Club will be fortunate to be a part of Sparsh's Rakhi and Friendship Day Celebration on 5th August 2017. We want to make these children feel special and help them by donating a packet of chips, a Frooti and a friendship band each.

Kindly send the mentioned items through your ward and encourage them to understand the need for love for these children as early as possible.

Montessori I: One packet of chips + one friendship band
Montessori II : One Frooti + one friendship band
