

BBPS/R/17/37

13th July 2017

Dear Parents

Funtoot is a digital learning programme that the students can access from home in a self-paced manner. It is a personalized, self-adaptive tutor designed for helping students in maths. The team of FUNTOOT will create Login Ids and Passwords for the students so that they can commence their learning cycle from the comfort of their homes on the portal. Fixed funtoot review slots per class will be held once a week and student reports for the same will be shared. The annual fee of the programme is Rs. _____ payable by cheque in favour of _____.

You are requested to give consent for your ward's enrollment in this programme latest by _____.

Regards

(Geeta Gangwani)
Principal
