

BAL BHARATI PUBLIC SCHOOL
SECTOR – 14, ROHINI, DELHI – 110085

BBPS/RH/PTA/17/31

03rd May 2017

Dear Parents,

This is to bring to your kind notice that the School has a well equipped medical room with a qualified medical practitioner and a nurse on duty. We also have a tie up with Jaipur Golden Hospital in case of any emergency. But keeping in mind the current situation, it is required that in case your ward is suffering from some chronic disease/s like asthma, epilepsy, seizures, heart disease, kindly submit the details of his/her medical history and the immediate first aid to be provided (in case of emergency) to the concerned class teacher for safety purposes. This record will be kept with the medical room also so that no time is lost in providing first aid to the child in case of medical emergency.

Regards

(GEETA GANGWANI)
PRINCIPAL
