Dear Parents

2020 has been a strenuous year for all of us. The students have remained away from the school building for more than ten months due to the novel coronavirus outbreak in the country. After the decision of Delhi government to allow schools to re-open in phases in the national capital, the school was re-opened for students from 1st February'21 for classes 10 and 12 in order to conduct activities pertaining to pre-board preparation and practical work. As per CBSE, the SSCE and SCE exams will be conducted from 4th May, 2021. The time has now come to help students prepare for their boards and assess their learning gained through online classes.

Although the students have been assessed online throughout the year, an offline assessment is imperative for a hands-on experience of the written exams. It has been customary to hold Centralised Preboard exams in all units of Bal Bharati schools pan India. This exam will help students to be relieved from their anxieties and fears to a certain extent while giving them an opportunity to revise the entire syllabus. The exams will be conducted keeping in mind all the safety and security measures in place.

The Date-sheet for the Centralised Offline Preboard exams is as follows:
