**PUBLIC SCHOOL**  
ROHINI

Namaskar

Dear parents

Bal Bharati Public School, Rohini strongly believes in upholding the values of Indian Culture. As a significant step towards instilling these values among the learners, they are being trained to greet everyone 'Namaskar' with folded hands, heads bowed in respect and faces aglow with smiles. The learners have already begun greeting everyone in the school in this manner. You are requested to train your ward at home accordingly.
