Dear Parents

It has been reassuring to see that unfazed by the circumstances, we have stood united in endeavoring to identify and maximize learning opportunities for our students. We deeply value and acknowledge your support in smooth adaptation of the ‘new normal ‘.

Safety of our students has always been our topmost priority and to ensure safe learning, we plan to continue with the virtual classes in the new academic session as well.

We are glad to announce that the new academic session 2021-2022 for Classes I to V with virtual teaching to ensure unabated learning will commence from Monday, 5 April 2021.

Kindly note as earlier, the online classes will be conducted through Google classroom. You are requested to use the G-suite id of your ward already provided to you to accept the invite sent to you by the Class Teacher.

The academic planner and syllabus will be shared on monthly basis. The time table will be shared through Google classroom, SNAPHOMEWORK and school website.

Seeking your kind cooperation.

Warm regards

Geeta Gangwani
