

BBPSRH/PARENT/2021-22/ 19

31.05.2021

Dear Parents

Bridge Programme for class XI (2021 – 22)

I hope you and your family are safe and healthy!

As per the CBSE circular no. CBSE/CE/201 dated 01.05.2021, the SSE 2021 result for Class X (2020-21) will be prepared by school as per the detailed Objective Criterion provided by CBSE .The SSE 2021 result is expected to be declared by CBSE by July 2021.

However, as is the school practice, the students have already opted for the subject combinations of their choice through the specially curated Google form. The stream allotment list with section wise division based on the relative average score of the two Pre-Board examinations will be displayed on the school website under the 'Notice Board' column of the 'What's New' tab. You are requested to verify the stream allotment of your ward from the same.

In an endeavor to bridge any learning gaps arising due to the shift to Online Teaching – Learning process or due to the general rationalization of syllabus for the academic year 2020 -21, the school is initiating a **Bridge Programme** for the students of class XI (2021-22) from Monday, 7 June 2021. This academic initiative will strengthen the fundamental concepts of students in different subjects providing them the necessary scaffolding to understand the subjects of class XI with greater clarity and confidence.

I hope you will appreciate this extra effort put in by the faculty for the benefit of the students. You are requested to ensure attendance of your ward as per schedule.

Regards
