Dear Parents

Present times are challenging but have opened new doorways to learning new survival skills. Pandemic has taught us many new skills and as members of the education fraternity we have been able to successfully run the whole school virtually with our new found capabilities and with the utmost support from all stakeholders especially parents.

Amidst the chaos has been the new order of materializing things. The school has taken this challenging situation in its stride and has made all the necessary arrangements to immerse the young learners in the best practices of learning virtually. With this perspective, we have organized **Toddler's Regalement** (Adaptation) Week to lay the formative layer of the foundation of the school - student partnership.

The **Toddler's Regalement** (Adaptation) Week spans from 19 July, 2021 to 23 July, 2021 and includes the following activities that will be conducted virtually on Google Meetings from 9: 30 to 10: 30 am:

- Magic Show
- Story Telling
- Puppet Show
- SportsGuru

After the activity sessions, the students will attend the VCT with their respective class teacher as per the schedule attached herewith.

Looking forward to greet our new members in the most enthusiastic and fun-filled way to mark the beginning of their journey of school life.
