10<sup>th</sup> August 2021

Dear Parents,

**TOPIC: CLASS VII CELEBRATES THE WORLD ELEPHANT DAY**

India has some of the world's most biodiverse regions. The flora and fauna in India are diverse with a variety of plants and animal varieties. The majestic elephants are amongst them. But the species is in danger due to poaching, killing and human conflicts.

Bal Bharati public school Rohini is celebrating “**The World Elephant Day**” on 12<sup>th</sup> August 2021. The day marks the preservation and protection of the different species of Elephants all over the World. An **Infographic Video** activity will be conducted to create awareness amongst the students of **Class VII**. The activity will be conducted in First Period in all the sections of Class VII i.e., 10:10-10:55 am. The students will prepare the **Infographic Video** by using the **Canva App** and will present their views on the **Padlet Wall** using the link: <https://padlet.com/anitadesal/bnbmqvwmm0vnjmwf>

Your cooperation is solicited to make this endeavour a success.

Regards

Ms. Meera Wadhwa

(Headmistress I)
