Dear Parents!

As you all are aware that your ward will be registered in class IX with CBSE board. You are requested to do the initial documentation for the registration.

The data which is to be provided on CBSE portal is available on school website portal under parents' portal. The data is as per the admission and withdrawal register available with school office. Please verify the data from the parent portal available on w.r.t candidate Name, Father Name, Mother Name and Date of Birth. You are requested to take a screen shot or the print of the parent portal data and provide a **HANDWRITTEN UNDERTAKING** on the print out with proper signature. The language of undertaking is as follows.

**"I hereby verify the parental portal data for the CBSE class IX registration 2020. All particulars related to Candidate Name, Father Name, Mother Name and Date of Birth are correct as per my knowledge"**

**Signature of Parent with Name of Parent ---**

The above undertaking can be attached as scan document after proper signature to the assignment created by class teacher on google classroom. The students who are coming for offline mode can also handover the undertaking to their concerned class teacher after attaching it to the GC. In case of any change in data please personally contact the concerned Class Teacher.
