"Sports create a bond between contemporaries that last a lifetime. It also gives a life structure, discipline and a genuine sincere, pure fulfilment that few other areas of endeavour provide"

Dear parents

At Bal Bharati, we strongly believe to develop the overall skills of children through games which play a vital role. Physical fitness is not only the key to a healthy body, it is also a basic dynamic and creative intellectual activity. School has collaborated with Sports Guru to provide fun filled physical activities to students during the Recreational Activity Classes.

The schedule for the same will be shared separately.
