Date: 29.11.2021

Dear Parents,  
Greetings.

BBPS, Rohini has always endeavoured to create stronger bonds with parents and foster trust. We both are primarily driven by the objective to provide best of resources and practices to our children and therefore, must always work in tandem with each other. This calls for your greater engagement in the school's functioning through proactive participation and constructive feedback. We request you to fill the form attached as it will help us understand you better and seek your support whenever required.
