

BBPSRH/Parents/2021-22/108

11 December, 2021

Dear Parents,

Greetings of the day!

In pursuit of holistic education, the school has empowered the students with adaptive concepts of e-learning on an unprecedented scale. The school management and staff have been working in tandem since last year to provide an enriching experience to students. Administration practices are being evolved continuously for the benefit of students. In these endeavours, a new Time Table has been designed for the students. The revised Time Table for online classes VI-VIII will be shared by the class teacher on the class WhatsApp group and will be implemented from Monday, 13 Dec 2021.

Please note the followings:

- Due to offline Board Examination scheduled in December 2021, some classes may be rescheduled or may remain suspended on examination days as teachers are on invigilation, evaluation and coordination duty.
- The periodical Assessment II for classes VI-VIII will commence from 14 Dec 2021. On all assessment days i.e 14,16,18,20,22 December 2021, the assessment will be followed by revision class for the succeeding assessment. The duration of the revision class will be of one hour starting from 11 am onwards.
- Regular classes as per revised Time Table will be conducted on non-assessment days.

Seeking your support and co-operation.

Regards

(Geeta gangwani)
Principal
