**SUBJECT : CHOICE OF THIRD LANGUAGE IN CLASS VI**

Dear Parents

As you are aware that your ward will be in Class VI in the upcoming session -2022-2023, he/she will be required to study a third language besides Hindi and English.

The school offers French, German and Sanskrit as the third language. You are requested to choose any one of these as the third language for your ward.

Kindly note that the language will be allotted to the student based on his/her performance in *English* in Term-III.

A Google form for your preference of third language will be shared by the Class Teacher. You are requested to fill the same by 20<sup>th</sup> January 2022. No changes for the same will be entertained once the form is submitted.

Regards
