Date:10.02.2022

**OFFLINE FINAL ASSESSMENT TERM II**

**CLASSES IX & XI**

**SESSION- 2021-2022**

Dear Parents

The school is ready to welcome the students to school premises after this long span of two years. The process of physical teaching has already begun from 8<sup>th</sup> February'22. Even though the students were away from the school buildings, the process of teaching learning through digital mode has been an ongoing process and all possible means have been adapted to make it successful. The time has now come to assess the students for the Term -2 Final Assessment. It has been decided to hold the assessment in an offline mode. This becomes imperative as an initial step to bring back our students to normal course of school life. Kindly note the datesheet and help your wards prepare for the assessment under your guidance and moral support.

Your cooperation in this regard will be highly appreciated.

(All protocols pertaining to prevention of spread of COVID-19 will be followed strictly.)
