

CIRCULAR FOR FLIPLEARN PLATFORM

BBPSRH/Parent/2021-22/147

25 February, 2022

Namaskar

Dear Parents

We are introducing 'Fliplearn Platform' April onwards. This is an online platform where the students will have access to the curated content, aligned to CBSE Board, as per their class 24/7. The students can revise the topics as per their own pace and space. Fliplearn platform is device agnostic, it can be accessed on mobiles, laptop & desktop. Fliplearn app can be downloaded from the app store or play store.

On day to day basis the teachers will share the assignments and the students can complete the task online.

In order to access the platform the students will have their personal login credentials which the class teachers will share with them. Session for the parents will be conducted where the Fliplearn team will guide them on how to use it. Video will also be shared on the same.

Date & time for the Parent session for Pre School and Pre Primary classes:

26 February, 2022 from 10:00 AM to 11:00 AM

Regards

Team FlipLearn
