16<sup>th</sup> March 2022

**“Our uniform is a part of our school identity, uniting our students and we hope that they take pride in wearing it.” - Bryn Thomas**

Dear Parents

This is in continuation to the circular dated 14 February 2020 regarding new school uniform for the students of Pre Primary and Primary department.

School Uniform is a symbol of pride and lends a sense of belonging to every student. The school had designed a new winter uniform for **Pre Primary and Primary students** (Classes PP I to V) w.e.f session 2018-2019. The same was appreciated by the parents and a request for change of a Summer Uniform was received by the school. Henceforth, a new Summer Uniform has been designed. The new uniform is vibrant, covers full body, and is loose fitted to enable students to participate in Games & Sports and Co-Curricular activities comfortably.

The same could not be incorporated due to the sudden closure of schools caused by the outbreak of the pandemic. However, now as we gear up for physical classes from April 2022, we would welcome our students with new zeal and enthusiasm.

The uniform shall be available with the School Uniform supplier, M/S Harratts Uniforms, from the last week of March, 2022. **You are requested not to purchase the old uniform till then.**

Your support at all times is ever appreciated.

Thanks & Regards

**Geeta Gangwani**  
**Principal**
