

BBPSRH/PARENT/2021-22/ 156

24TH March, 2022

Dear Parents,

The date sheet of CBSE Board exams for classes X & XII has been announced by the board. The students are now preparing for the final Board exams. All units of Bal Bharati schools pan India have conducted Preboard Exams to give a thorough practice to the students. The question papers have been prepared strictly on the pattern of sample question papers released by CBSE. With an attempt to give an additional exposure to the students , all the questions papers of different units along with the marking schemes have been shared with the students through Google classroom. Attempting these question papers as a part of revision will benefit the students in their overall preparation for the Board Exams. You are requested to guide your wards accordingly and encourage them to use these practice papers for preparation.

Regards,

Geeta Gangwani
(Principal)
