BBPSRH/PARENT/2022-23/7

04.04.2022

Dear Parents

The school has reopened physically for the students after a gap of two years. We assure you that safety and security of students is our topmost priority and the school leaves no stone unturned to ensure the same. Reopening after a long period of two years may bring in some challenges but together, moving ahead with your suggestions & feedback, we have re-strategized the dispersal.

It is reiterated that the school timings during the Adaptation Week are 8.45 am to 11.30 am.

You are requested to send the attached Parent I- card proforma , duly filled, with your ward tomorrow morning positively. The same will be stamped and issued to you at the time of dispersal. The students to be picked up by parents / guardians will be dispersed from Block III courtyard (instead of Block I as done today) at 11.30 am. Parents/ guardians who come to pick their wards are requested to carry that Parent I- card every day. Students will be handed over only to those who are in possession of the I-card.

We seek your cooperation in ensuring safe and smooth dispersal of our students.

Warm regards

Geeta Gangwani

(Principal)
