8 June 2022

Dear Parent

International Day of Yoga is celebrated globally every year on 21 June to emphasize the importance of Yoga for physical, emotional and mental well being. BBPS Rohini has an expert resource person to guide students to practice Yoga in the right spirit.

It gives me immense pleasure to share that your ward _____ of class _____ was an active participant in the Yoga Summer Camp. He/She has been selected to present a yoga item to celebrate the International Yoga day 2022. You are requested to ensure that your ward follows all instructions and adheres to the schedule conveyed by the Yoga resource person.

Your co operation is solicited.
