12 August, 2022

Dear Parents

You will be glad to know that our school has been selected to participate in "Future Skilling Initiative", A SkillsReform Initiative by Skills Reform Private Limited.

In this, year long program, students of classes XI and XII will get guidance and training to enhance their **Employability Skills Index as per the NEP 2020**.

Students will get a chance to participate in Career Fair and attend sessions on Financial Literacy, Data Science Skills, Entrepreneurial/Design Thinking Skills and Future Employability Skills.

Kindly encourage your ward to attend all the modules and participate enthusiastically.

The first step in this is to assess their readiness and pre knowledge about the sessions, which will be done through google form by 14.8.22. Students of classes XI and XII have to use their official G Suite IDs only to fill this "pre-survey form" <https://forms.gle/UJBmLh3h8W8Ben2v8>.

The form has a 20-minute quiz on various skill-set and should be done by students only, **without any help from teachers/parents.**

Regards
