Dear Parent

Upkeep and maintenance of the school campus is a continuous process that is undertaken on priority for the convenience of all stakeholders. Roof top of Block II of school Campus Sector - 14 needs urgent repair and maintenance. The work will be taken up within this week. For smooth conduct of school, the school gate no. 4 used will be cordoned off and will not be available to students for arrival and departure. Kindly note that student arriving to school using gate no. 4 will use gate no. 1 for entry. Students departing from gate no. 4 will use gate no. 3 only for departure. This arrangement will continue till further instructions.

Lay out of school gates is attached for your convenience.

Your co operation is solicited.
