7 November 2022

Dear Parent

I hope you will appreciate that school is extending transport facility to parents on request. The number of bus users being less, running the transport administratively, is a challenge unless the parents extend their support for the same.

Transport fee for the months of October, November and December 2022 is due. October has already gone by without receiving payment. Repeated reminders have been sent on whatsapp groups. You are instructed to pay the transport fee amounting to Rs. 10,500/- (@ Rs. 3,500/- per month) for October - December 2022 immediately. We expect you to drop the cheque at school reception or school gate by 11 November 2022, Friday positively.
