

BBPSRH/Parent/2022-23/96

10 NOV 2022

Dear Parents

Discipline at BBPS RH is of utmost importance not only for the congenial learning environment of the school but also for your ward's overall development. A well disciplined and groomed person is an asset to the society and goes a long way in creating his own road to success. It is for the very purpose that we seek your partnership in developing a healthy milieu and nurturing characters worth emulation. You are requested to ensure the following for a smooth sail.

1. Parents are advised not to park their vehicles at gate no 1 or 4 on arrival or departure. Repeated disregard has lead to a lot of inconvenience to other parents and staff.
2. Students coming later than 7:30 a.m. will not be allowed to attend the school. Parents are requested to make arrangements for their pick up, accordingly.
3. Students must always be dressed in proper school uniform, including the appropriate shoes.
4. Wearing i-card to school is mandatory for students across all classes.
5. The winter uniform for the seniors (vi-xii) is due for a change. You are advised not to buy the blazers as of now and wait till further communication.
6. For now, the students may wear a simple black jacket to keep themselves warm.
7. Bags of the students must be checked everyday before leaving their homes and it should be ensured that no unwanted item is taken to school.
8. Mobile phones are not allowed to schools under any circumstances. If confiscated, they will be returned at the end of the academic session, only.
9. Students must be responsible for their actions both inside and outside the school at the time of dispersal. Strict action will be taken if caught in any act of indiscipline.

Regards

Geeta Gangwani
(Principal)
