#SharingWarmth
#SpreadingWarmthSpreadingSmiles

Greetings, fellow students!

Winters are here and so is the need to share warmth. Since, the old blazers of the school uniform have been replaced by the new pullovers and jackets, the Interact Club of BBPSRH is conducting a donation drive to collect the same for the underprivileged. You are requested to generously donate your old school blazer and pullover to help the needy bear the cold.

Neatly packed articles to be deposited in the Zero period in the cartons kept outside the Vice Principal's Office.

A certificate of acknowledgement will be awarded to every student donating for the noble cause.

Regards
Interact Club BBPSRH
