Dear Parents,

This is regarding the Route PR 4, plying under the supervision of school, covering the area of Pitampura. To continue the bus facility for the students on the existing route, the operating cost of hiring the school bus along with the lady guard, needs a minimum number of bus users. You are requested to submit a consent for continuing the same bus route for the session 2023-24.

Kindly note, no request for withdrawal will be allowed during the Academic session.

Seeking your kind cooperation.
