5 July 2023

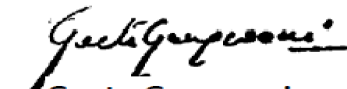

**Dear Parents**

**Inspite of repeated requests, it has been observed that students still carry mobile phones to school. This causes a lot of indiscipline in the smooth teaching & learning process in classrooms. This becomes a cause of major distractions. It is reiterated that mobile phones are not permitted in the school under any circumstances. If found, the mobiles will be confiscated & returned only after session end.**

**Please ensure that your wards don't carry them to school.**

**Your cooperation in this regard is highly solicited.**

**Regards**
