

**ENSURING SAFE TRANSPORTATION FOR PRE PRIMARY DEPARTMENT**

Dear Parents,

Safety & security of students has always been the top priority with school and with the parents. We strongly urge the parents to avail the school transport for the following reasons: -

- **Special routes for PS & PR:** The routes for PS & PR are exclusively for PS & PR students only. This ensures that our children are surrounded by their own age group and taken care of with utmost diligence.
- **Tracking system:** The school buses can be tracked with the tracking system installed for all the routes. This ensures that you can monitor the bus's location and keep track of its movement.
- **Safety First:** Our school owned buses adheres to stringent safety protocols and standards. Our drivers are well-trained and experienced. Additionally, having our teachers on board at all times enables immediate assistance and quick response to any situation that may arise during the journey.
- **Reliability and Punctuality:** Our school transport system follows a carefully planned route and timetable, ensuring that children arrive at school and return home on time. This eliminates unnecessary waiting periods strengthening security.

Together, let's ensure their well-being and pave the way for a successful educational journey.

Warm Regards
