Dear Parents,

“In a world where financial decisions are becoming increasingly complex, financial literacy is no longer a luxury; it's a necessity.”

To imbibe this, we are introducing the "Passport to Earning" (P2E) program for our students of classes IX-XII. This is an initiative of CBSE in collaboration with UNICEF - YuWaah and is designed to equip our young learners with the necessary skills and knowledge to prepare them for the future.

The P2E platform will provide a Financial Literacy Course for Students: This course aims to empower students with essential financial knowledge and skills, preparing them for a financially secure future. The course will cover key aspects of financial literacy, including budgeting, saving, investing, and other opportunities.

We believe that the course will play a pivotal role in the future of our students, equipping them with the skills they need to thrive in the rapidly evolving world.

After completion of the course, the students will receive certificates from UNICEF and Atal Innovation Mission.

Kindly note that it is a 10 hours ONLINE course. Students can do it at flexible timings at their own pace. The course is completely free of cost.
