

ORIENTATION PROGRAMME

PRE SCHOOL 2024-2025

Dear Parents

It gives us immense pleasure to have your ward's name added to the Bal Bharati fraternity. We are hopeful that we will keep up to your faith of having entrusted your ward to us. In the modern scenario, when one is apprehensive about the future of children, the entry to the school is like a new phase of a child's life and the parents are bound to have their share of apprehensions. Keeping this in mind, we have organized an Orientation Programme on **Saturday, 30 March, 2024** in the school premises. An insight into the teaching methodology of the school and your role in the all-important process of beginning of life long education will be outlined by the school Principal. Ms Seema Wahi Mukherjee, an Education Consultant for Foundational Stage, a Toy Pedagogy Expert, an International Storyteller and a renowned motivational speaker will also address the parents. Your queries, if any, related to the functioning of the school will be addressed in this programme. This will be followed by information regarding sections allotted and a meeting with the class teachers. The presence of both the parents is absolutely essential for this programme and we look forward to greet you.
