

Report - Teachers Training

WISETIME HANDS-ON MATHS EXCELLENCE PROGRAM

TOPIC: Orientation Session on Activity-based Teaching & Utilization of the Maths Kit

Resource Person – Mr. Sanjiv Marwaha

Date - 24.04.24

Time – 6:00 to 7:45 pm

Mode – Online

Attended by :

Mother Teachers of Grades I-II

Ms. Manisha Mathur

Ms. Meenakshi Bhardwaj

Ms. Sangeeta Kapoor

An informative and helpful program in enhancing teacher's skills and teaching techniques in mathematics. An enriching experience to facilitate better communication and collaboration amongst teacher and student .

The objective was to infuse excitement and engagement into the realm of mathematics for both students and educators alike.

The kit has been introduced in the session 2024-25 in Grades I -V.

FIXED MINDSET VS. GROWTH MINDSET

Fixed Mindset

- Believes that his intelligence, personality, character is inherent and static. Cannot learn or learn. My potential is determined at birth and doesn't change.
- Avoids them
- Reacts to look smart
- Seeks challenges
- Wishes to please their teacher
- Feedback is embarrassing & painful
- They don't change or improve

Growth Mindset

- Believes that his intelligence, personality, character can be continuously developed. My brain, personality is malleable and grows with me.
- Values continuous learning
- Confuses uncertainties, interesting challenges
- They enjoy to fail
- They look at effort as their pathway to their current capabilities.
