

ASTRONOMY CLUB ORIENTATION

An orientation program for the Astronomy Club was conducted on 29 April 2024 for the students of classes V to VIII. The resource person Ms. Rishita from Space India organised various activities for the students. The students participated in the activities enthusiastically. The resource person also explained the procedure to join the club. A 'Rocket Launching' activity was conducted in the playground, it gave the students a real-life experience of Rocket-Launching.
