Topic -On the Grasshopper and Cricket

Bright Spark

VISUAL - SPATIAL Design and create an illustrated comic strip that depicts the contrasting scenes of the poem. Highlight the role of the grasshopper and the cricket in their respective environments and visually interpret the theme of the poem.	LINGUISTIC – VERBAL Activity: The poem is based on the theme of nature and earth's never ending beauty. Keeping this in mind, write a poem or paragraph describing earth's beauty in your own words. Use any 2 poetic devices of your choice in your poem and explain them as well. Use your creativity and imagination.	LOGICAL – MATHEMATICAL - Create a timeline showing the evolution of CV Raman's inventions. Include at least five historical benchmarks from the chapter and explain the significance of each.
BODILY – KINESTHETIC Using everyday materials, construct a simple prototype of one of "Bright Spark's" inventions. Present your model and demonstrate how it operates.	NATURALISTIC ** ACTIVITY: The School has decided to take you on a 'Nature Walk' to Botanical Garden. Design a poster capturing the essence of mother nature and its elements. Use a combination of words, drawings, slogans etc.	INTERPERSONAL ACTIVITY: Divide the class into groups of ten each. Each group is further divided into 2 groups of five each. Each team thus formed will play a game of Dumb charades for 10 vocabulary words from the text.
INTRAPERSONAL ACTIVITY: Reflect on the characteristics of CV Raman, a great inventor. Write a personal reflection on the traits you share with Bright Spark and set goals for becoming an innovative thinker.	MUSICAL ACTIVITY: NO WORDS ONLY MUSIC Compose a theme song for "Bright Spark" that encapsulates the spirit of innovation and creativity found in the chapter. Record your song and present it in the class.	EXISTENTIAL Activity: Emphasis on the themes of endurance, the passage of time, and the continuity of life as represented by the grasshopper and the cricket. Make a poster exploring these themes and present it in the class.
