**NOTE:** The above syllabus is for assessment purpose and remaining chapters/topics may be taught as subject-learning enrichment.

Schools may consider the following suggestions:

- Make sure you are thorough with the entire syllabus before allocating weightage.
- Please rationalize the syllabus based on the Annual Examination Schedule.
- The specific syllabus for each exam should be clearly mentioned.
- Please mention the chapters which are not meant for evaluation/assessment purpose and should be done for learning enrichment.
- Blueprint along with the weightage assigned to each chapter is to be mentioned. Also, certain topics that have been thoroughly covered in previous examinations can be assessed through revision assignments or projects. This would allow students to focus on more important chapters.
- Blueprint and question paper design along with weightage to be submitted with Question Paper.
- Classes (IX-XI) subject teachers to adhere to the instructions as per the CBSE Curriculum.
- The subject allotments for Class XI will be discussed in the next Advisory Council Meeting and shared with all.
