Dear Parents

Safe and Nutritious food (SNF @ School) programme has been initiated by FSSAI, Govt. of India for the Year 2024-25. It includes awareness related to health, hygiene, safe and nutritious food, healthy eating habits etc. Yellow and pink book containing required material will be uploaded on School portal. It is a part of Health and Wellness Club. Students should be encouraged to read this book and help in making this programme a success.

Regards
