

Library/Wordsmith Club Activities Report For the Month of September

Read Aloud Session:

The Wordsmith Club celebrated International Literacy Day by organizing Read Aloud Sessions for classes VI-VII. These sessions were conducted through Storyweaver.com and PRATHAM BOOKS. The activity aimed to enhance vocabulary, improve listening skills and teamwork, and make learning enjoyable for all participants.

Reading Bingo Activity:

The Wordsmith Club of BBPS Rohini organized a "Reading Bingo" activity for Class VII students to encourage a love for literature and expand their knowledge of authors, books, and themes. Students created bingo cards with author names, book titles, and literary themes, fostering creativity and showcasing their literary knowledge.

Science Dramedy:

On the occasion of **Engineers' Day**, the students of Class 8 performed a captivating science drama centered on the theme of **Artificial Intelligence (AI)**. This drama aimed to raise awareness about AI's significance in modern engineering and its growing role in everyday life.
