SOP — PARTICIPATION IN NATIONAL/INTERNATIONAL

SPORTS EVENT ON THE DATE OF BOARD EXAM.

Several initiatives have been taken by the Government of India to promote sports amongst youth. CBSE has also mainstreamed Health and Physical Education at *Secondary* and Senior Secondary levels by introducing a mandatory period per day *for* sports, games, etc.

To further promote sports, CBSE took a decision in March 2018 to facilitate such students who are participating in International Sports Events *and* studying in CBSE affiliated schools in Class X or XII for the purpose of appearing in the Board's examination. This facilitation was extended in 2019 to 14 candidates where Board examinations were coinciding with their participation in any international sports event.

It has now been decided by CBSE to make this a policy and extend such facilitation hereon to all such students whose CBSE Board exams may clash with their dates in any National/International Sports event including dates of journey for that event that is recognized by Sports Authority of India and the student will be representing India. For such students, their examination will be conducted at a later stage as decided by CBSE.

Standard Operating Procedure (SOPs) for all such students will be as under:-

S.No	Activity	Schedule
1	Students to give their request to school	These activities must be completed before 31st January of the academic year.
2	School to request Sports Authority of India for their recommendations	
3	Schools to send their recommendations alongwith recommendations of Sports authority of India to regional office	
4	Regional Office to send approval to the schools	Before 5th February of the academic Year.
5	Conduct of rescheduled examination	Between 1 April to 15th April of the examination year for all candiates.

It may also be noted that in no case such candidates will be permitted by CBSE to appear along with the compartment examination as the compartment examination is conducted only for those candidates who got compartment in the main examination

Note: Students must to go through CBSE circular
