

**Name of the Activity:** World Autism Awareness Month

**Date of the Activity:** 1<sup>st</sup>- 30<sup>th</sup> April 2024

**Brief Description of Activity –** Teachers showed movies about autism, such as *Life Animated* and *Rain Man*, to raise awareness among students. They encouraged students to write letters advocating for the needs of students with disabilities, fostering critical thinking and advocacy. A pen pal system was created for students to write, draw, and connect with peers with special needs, promoting friendship and communication skills. Students decorated the classroom door with autism ribbons and welcoming quotes. A pledge was made by students to "Accept, Respect, and Include" people of all abilities, reinforcing the message that inclusion starts with them.
