

## Report On Author Session

On February 6, 2025, BBPS Rohini organized an interactive session featuring Ms. Varsha Seshan, a distinguished children's author affiliated with Scholastic. The event was attended by members of the Wordsmith Club and the Booksbear Club, fostering a rich environment for literary engagement and discussion.

Ms. Varsha Seshan, an accomplished children's author, engaged students by sharing her inspiring journey as a writer. She discussed her experiences in publishing, covering the processes of writing, editing, and storytelling, while highlighting themes such as adventure, history, and culture. A key moment of the session was the interactive discussion where students asked questions about writing techniques and overcoming writer's block. Ms. Seshan provided valuable advice and conducted a creative writing exercise to help students explore their storytelling skills. She also emphasized the importance of reading widely and finding one's unique voice as a writer, sharing childhood anecdotes that illustrated how everyday experiences can inspire compelling narratives.

The event concluded with a book signing, where students enthusiastically interacted with Ms. Seshan and had their books autographed, leaving a lasting impression on all attendees.
