“A Scout is never taken by surprise; he knows exactly what to do when anything unexpected happens.” - Robert Baden Powell

Dear Parents

The Scouts and Guides programme helps children grow into confident, independent individuals and responsible citizens. To support this holistic development, our school, in collaboration with the Hindustan Scouts and Guides Association, will continue the programme for Class V students, following the positive response last year.

Recognized by the Ministry of Sports and Youth Affairs, Govt. of India, and affiliated with the World Federation of Independent Scouts (Germany), this programme promotes physical fitness, leadership, teamwork, service, and nation-building. It blends fun and learning through outdoor adventure, education, and character development.

The details of the Course fee are as follows:

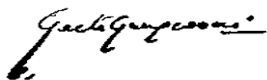

The school will bear the registration fee for this prestigious programme, however students need to pay the following:
