## INTRODUCTION

An informed career planning is important in deciding success and happiness in one's life. Apart from knowing one's ability, personality and interest, it is also equally important to know about career opportunities available to make a right career decision.

Many students who dropped out of education have the notion that the road to satisfying and successful career is blocked future is not as bright compare to those who have higher qualifications.

This handbook is intended to provide comprehensive and diverse information of various careers. This Handbook contains detailed information regarding various Academic/ Professional/ Technical training program available in Delhi/NCR. Further it contains duration, fee structures, websites/address/contact numbers, eligibility required for several courses.

The information available here is indicative and not exhaustive and hence, one should be in touch with the day to day development in the field of his / her interest.

The EVGC Branch Distt NW-B, is grateful to all concerned, who have extended their co-operation by providing the requisite data.

We are heartily thankful to Mr. TapeswarJugran, DDE (NW-B) for his sincere efforts and guidance in bringing out the idea of this Handbook.

Further we extend our thanks to Ms. Sadhana Duhoon, Nodal Officer District NW-B who keeps on motivating and enlightening us with her extraordinary guidance.

The present work has been compiled and developed by the team of following EVGCs under the able guidance of DDE-NWB Mr TapeswarJugran and co-ordination of Ms Sadhana Duhoon, Nodal Officer District NW-B.
