

BAL BHARATI PUBLIC SCHOOL, ROHINI

BBPS/R/20/35

11.04.2020

Dear Parents

In light of the present circumstances where the Coronavirus has been declared as a pandemic, thereby forcing schools to be closed, the school believes that learning should not stop. We will help you with learning resources and information, to support our students with studying at home. **Students will get anytime, anywhere, access to high quality learning resources filtered/created by their own teachers through the web application Connected Classrooms.** They can view and replay each lesson any number of times for deeper learning. Individual students' username and password will be provided to each student. The students can login using these credentials and view lessons and assessments created by their own teachers on a regular ongoing basis. These lessons can be viewed by students on most devices, including desktops, laptops, tablets, and mobile phones both android and IOS. **Please note that the "Login Details" of the student will be shared by the class teacher on 13.04.2020 (Monday) through "Snap Homework App".**
