

## **BAL BHARATI PUBLIC SCHOOL, ROHINI**

17.04.2020

Dear Parents

Due to the recent government recommendations regarding the COVID-19 outbreak, the entire education routine is disrupted. However, Bal Bharati Public School, Rohini is leaving no stone unturned to make the best resources available to you. The students of classes PP to V were being provided with Primary Plus magazine which was used as a tool to enhance learning.

To support students through the COVID lockdown, Primary Plus is providing a digital library for all grades. The e- magazines have numerous interesting activities like puzzles and mazes. The coding- decoding activities, word searches and puzzles focus on development of critical thinking ability in the learners. Comprehension exercises, stories, art and craft activities further cater to holistic development.

The e- magazines are available on the links given below:
