

NEW TT & ASSESSMENT- CLASS XII

"Evaluation of the past is the first step towards vision for the future." Chris Widener

Dear Parents,

You are already aware of the fact that your ward's Online teaching on Google Classroom has been going on successfully. The teachers are able to connect, clarify and address your wards concerns related to academics. With the extension of Lockdown to 3rd May, the school reviewed the status of syllabus and other concerns with the teachers. Subsequently, the Time Table was revised. (You will receive the revised TT along with this circular). It has also been decided that the first online class will commence with Prayers including school prayer, Gayatri Mantra and chanting.

At this juncture, we have also decided to conduct Internal Assessment as we all understand that revisiting and recapitulating the previously taught concepts, ideas and theories is very important to strengthen their comprehension. Therefore, I would like to inform you that our teachers will be conducting Online Assessment as per the Date sheet given below. The assessment will be objective type and will include the ***syllabus covered till 15th April, 2020.***

Duration: 1 Hour.		MM:25 Marks	
DATE	DAY	XII	X
27.04.2020	MON	BIO / ECO / CS	SCIENCE
