

Bal Bharati
PUBLIC SCHOOL
ROHINI

Dear Students

Books are a uniquely portable magic.
-Stephen King

The world of books is full of joyous rides to the mountains, seas, deserts , forests , under oceans , along the rivers and to fantasy lands. Reading improves the habits of mind and makes us more creative and imaginative. Reading also develops our vocabulary and hence our communication skills.

Bal Bharati Public School Rohini celebrates **World Book Day** on **23 April 2020** and wishes all the students many reading sessions at home.

Today, from **5:30 pm to 6:30 pm, Drop Everything and Read (DEAR)** and celebrate the spirit of reading books.

Parents of students in **Pre Primary Dept. and Class 1** can Read Aloud stories to their children.

Also, click nice photos of you reading the book with a wall clock in your background or table clock beside you and time is visible in the photos. Send some of these photos to your respective class teachers through Whatsapp.

Enrich this day with your love for books!
