ONLINE ASSESSMENT- CLASS VI-VIII

"The first step to personal growth is the ability to make an honest assessment of where you currently are." Michell Pulliam

Dear Parents,

Online teaching for Classes VI-VIII, Session 2020-2021 commenced from 8th April, 2020. The activation of the G-Suite ids for the staff and the students has turned out to be the safest and the most reliable mode of online teaching. Google Classroom and Google Hangouts Meet have transformed the real school classroom into a virtual class enabling the students and the teachers to connect and learn, together. The school has effectively involved your wards back in the system of structured learning. At this juncture, we have decided to conduct Internal Assessment because revisiting and recapitulating the previously taught concepts, ideas and theories is very important to strengthen their comprehension.

Therefore, I would like to inform you that our teachers will be **conducting Online Assessment for classes VI – VIII** as per the Date sheet given below. The plan is to conduct **objective type tests through Google Forms**. The students will be adequately trained for the same by the teachers prior to the date of assessment. Syllabus for the online assessment will soon be shared by the subject teachers.
