

### **SCHEDULE FOR GOOGLE HANGOUT MEETS – CLASS XI**

10 May 2020

Dear Parents

We are all aware that the entire world is facing an unprecedented emergency situation due to Covid -19 Pandemic. Social distancing remains the only way to save ourselves from this infection. In the wake of spread of Covid-19, it seems unlikely that schools will re-open in near future. For the benefit of students, we have decided to move further with the online teaching learning process for provisional class XI 2020-2021. We have already created virtual classrooms on Google classrooms that have been functional since 20 April, 2020. Bridged curriculum was executed through Asynchronous mode of Online teaching . Content & assignments were posted on daily basis for all subjects as per the given schedule.

Learning , at BBPS Rohini, is a continuous process and henceforth, the school has planned to initiate Synchronous online teaching via Video Conferencing through Google Hangout Meet from Monday, 11 May ,2020. The Google link for the VC will be available in the Google classroom at the scheduled time of the class. Please find below the Time Table to be followed for teaching through VC.

You are requested to supervise that your ward attends the VCs regularly as per schedule and follows the decorum required to be a part virtual classrooms. The VCs will provide an opportunity to students to connect to their teachers in real time to interact and clarify doubts. Attendance in the classes is mandatory.

***STAY SAFE , STAY HEALTHY !***

Regards

Geeta Gangwani  
Principal BBPS RH
