## **CIRCULAR FOR PTM CLASS I SESSION 2020-2021**

Dear parents

**“Set your sail and use the wind of life to get to wherever you want to go” – unquote**

Inspired by the aforesaid quote, amidst the country wide lockdown, Bal Bharati Fraternity commenced the new session 2020-21 on 1 April 2020 for all classes except class XI. No matter how challenging the surroundings were, education paved its way like a flowing river. Surpassing all the hurdles, we took little steps to reach the young minds of class I students who had just stepped into the Primary Department from the Pre-Primary Department with a more structured & comprehensive curriculum. Hand in hand with the technology, through videos and worksheets, the teachers guided them to begin their journey. It was a bit different and difficult too, but learning is all about adaptability. As we became comfortable with the new environment, we began the virtual classroom using Google hangout Meets to connect to the students in a more engaging way.

Stepping ahead further we wish to strengthen our bond through **Telephonic Parent Teacher Meeting for class I** from **18 May 2020**. The time and schedule is attached herewith. We request you to get connected to the class teacher and share your perspective. You are requested to give suggestions or raise concerns, if any. The teacher will manually record your response for onward discussion for further improvement. Seeking your cooperation in making this endeavor a success.

Wishing you safety and good health.

Principal
